The above should be expected of every adult and taught to every child and made the human law for all.
If harmers were punished we could have a wonderful world.

Freedom of speech and media safeguards freedom.
Our Constitution and Universal Declaration of Human Rights gives us many Freedoms.
Where they censor speech, information and books they will take away your freedom.

FREEDOM ISN'T FREE, MANY DIED FOR YOURS. We veterans remind you to: Be vigilant and be prepared to fight threats to your freedom. There are many here who are secretly against our way of life. Remember 9-11, Boston massacre, Detroit bomber, Mslm terrorists who nearly cause hundreds of deaths of children and Warren workers in 2026. And over 49,000 Mslm terror attacks since 9-11 worldwide and killing nearly 200 in USA.

And there are the greedy 1% who have excessive wealth dodge taxes, and Corporations who don't pay a living wage. We now have the resources to provide good clothing, food, housing, medical care and education to all citizens..

Before the first entry we acknowledge that there are many Heroes and Volunteers who declined to have their names put in this history because they choose to do good work anonymously. I will call these our Anonymous Heroes. Several of these have put in hundreds of hours doing good work in our community. We give them our thanks and gratitude for their wonderful works.

Champine Dennis, City Manager/Clerk City of Center Line

CHAMPINE DENNIS E. City Manager/City Clerk/DDA Director for the City of Center Line.

Dennis grew up with his parents, Donald and Patricia and nine siblings in the City of Warren, graduating from Warren Lincoln HS. His parents encouraged him to and his siblings to serve others. Five siblings, including Dennis, have been or are still public servants. His father, Donald served in the United State Army during the Korean War, and as a Van Dyke Public School Board Member; while his mother, Patricia worked for over 20 years at Van Dyke Public Schools, as a teacher's aide.

After attending a year at a aeronautics school in Tulsa, OK., Dennis joined the U. S. Marine Corps, serving six years (1981-1987); two years with 1st Marine Division Intel, two years with 3rd Battalion, 1st Marine Division at Camp Pendleton and the Far East; and two years with the Marine Corps Recruiting Service in Detroit.

Dennis then worked for the Van Dyke Public Schools (1987-1995) as an Administrative Clerk and Bookkeeper for over eight years. He was then appointed by Warren Mayor to become his Administrative Technician and was later the Community Relations Director, serving the City of Warren for twelve years (1995-2007) in those capacities. Dennis then served in the private sector as General Manager for CiCi's Pizza; a Activities Supervisor for The Fowler Center for Outdoor Learning, a special needs camp; a Facilities Manager for GCA Services, and Property Manager for Kramer Homes Co-op in Center Line. After eight years (2007-2015) in private sector management, Dennis was hired by the City of Center Line to become its City Manager/City Clerk/DDA Director in 2015.

Dennis received his Associates Degree in Business Administration from Davenport University; his Bachelors of Science Degree in Public Administration – Community Development from Central Michigan University; and completed his Master's Degree courses in General Administration at Central Michigan University.

Historian comment: Dennis is a well-loved person in our community and a family man with six children and four grand-children.

Champine Donald served in the United State Army during the Korean War, and as a Van Dyke Public School Board Member. He is the proud father of our City Manager.

Champine, Fred was a volunteer in the Center Line Fire Department in 1966.

Chmura John Michael 37th District court City of Warren John Michael Chmura was born in Detroit and lived the early part of his life in Poletown with his parents and maternal grandparents. With three of his four grandparents born in Poland, he grew up in a Polish-speaking household and became familiar with all of the important Polish customs observed by immigrant families living in Detroit during the 1960s. In 1965, Judge Chmura's parents bought a house in Warren which is where he grew up with his brother, Mark, who currently resides in Arizona with his wife

and three children. The judge attended Beaver Elementary, Carter Junior High, and Cousino Senior High Schools, all in Warren. Judge Chmura attended Michigan State University earning a Bachelor of Arts degree from James Madison College, a liberal arts institution. He attended the University of Wisconsin Law School in Madison where he was awarded his law degree in 1988. Returning to Warren, Judge Chmura began his professional career by working as a staff attorney for Hyatt Legal Services. In 1991, he established his own practice. Soon after, he was appointed by Attorney General Frank Kelley as a Macomb County Public Administrator and began specializing in probate law. Governor John Engler appointed him to the 37th District Court bench in 1996 where he now serves. In October of 2008, the Michigan Supreme Court appointed him chief judge. Judge Chmura married Ann Marie (née Francis) in 1993. They have two children, Jonathan (age 13) and Andrew (age 11), both of whom attend St. Anne School in Warren. All are members of St. Anne's parish. Judge Chmura has many professional accomplishments. He served as president of the Macomb County Bar Association's Young Lawyers Division. He is past treasurer and president of the Advocates Bar Association. He also served 12 years as the treasurer of the Macomb County Probate Bar Association. Judge Chmura has been involved with numerous civic and charitable organizations as well. He is a member of the Kiwanis Club of Warren where he writes its weekly newsletter, serves on the board of directors at the Warren Family YMCA, and is a past board member of the Warren Symphony Orchestra. He also is a member of the Knights of Columbus (St. Pius X Council) as well as the Order of the Alhambra (Galicia Caravan). In addition, the judge is a member of the St. Anne's

Ushers' and Men's Clubs. He is a merit badge counselor for the Boy Scouts of America. He also is a member of the Detroit Athletic Club. Judge Chmura is very proud of his Polish heritage. He is a member of the Polish American Congress; the Polish National Alliance, Lodge 1758; and the Friends of Polish Art. He is also the chairman of the Polish Day Parade Committee. Additionally, he is a member of the American Polish Century Club of Sterling Heights and the Polish Century Club of Detroit. Judge Chmura enjoys following Michigan State University basketball and football. He also likes listening to classical music, watching classic movies (particularly those starring John Wayne), drinking wine, eating steak, bowling, and spending time with his family (including watching his sons play football, baseball, basketball, soccer, lacrosse, as well as bowl).

Claeys, Henry L this is the man who came to Warren with a welling drilling rig in 1909. Lots of people needed wells and soon he had three machines working. He started a wholesale plumbing business. In 1924 he sold his drilling machines and concentrated on his plumbing supply business. He married Agnes Catherine Malburg. On March 16, 1926 Mr Claeys suffered a stroke due to influenza which left him paralyzed on his left side and speechless. His wife entered the business and acted as interpreter ever since. Re-enlisted Jan 1, 1864. Mustered out July 14, 1865 at Fort Porter, Buffalo, NY. According to special veteran census of 1890, this veteran suffered from diarrhea as a result of service in war. In addition this veteran's soldiers home record indicated that he suffered from some level of deafness also. This veteran

died in the Soldiers Home, Grand Rapids, MI. D 1927. A memorial with his name on it and 29 other soldiers was stolen by the Warren Hysterical grave robbing gang in 2011 without just cause. They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing was found wrong with these memorials at a public meeting afterwords. This shows disrespect to our soldiers and those who died including 400 policemen and firemen. We veterans want these memorials replaced. See macombhistory.us for details.

They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing was found wrong with these memorials at a public meeting afterwords. This shows disrespect to our soldiers and those who died including 400 policemen and firemen. We veterans want these memorials replaced.

Cummings Jim Warren High School 1955

Cummings, Dorothy May (Peck) was born in 1924. The Cummings family was a land clearer family in Warren Township section 26. She was the daughter of Eldred E Peck and Myrtle Wilson. She grew up on a pioneer farm on Chicago Road one half way between Mound and Ryan. She went to the West School for grades 1-8 and to Warren High School for grades 8-12. The graduating class only had 8 persons in it. On the farm they did truck gardening. That is growing little stuff like carrots, tomatoes, strawberries. They had acres of apple trees. Nearly all was sold at farmers markets in Royal Oak and Ferndale. There was a lot of sorting to be done. She had to work the fields. They raised chickens. One could still sell dressed chickens then. They had horses, sheep, until 1941 when grandpa died. After high school she went to Albion College for one year then to Wayne State University for four more years. She majored in medical technology. Her first job was at the old Providence Hospital as a medical technologist. She moved to Chicago, got married and work at the University of Chicago Hospitals for 15 years. She moved back to Warren and worked at Beaumont Hospital again as a medical technologist. She started the first BA level school for Histo-Technology in the country while working for Oakland University. She talked Beaumont into starting the school and stayed on for 15 years. She retired at age 65. She stated that in the old days there was much more respect for teachers. She stated the food was better because it was home grown and all natural. People were more responsible in the old days. There was less crime. No one locked their house or car. There was more respect for law and order. But

they practically never saw a sheriff. A local Justice of the Peace handled local issues. People were happier then. They had less but were happy with what they had. She states we can learn a lot from history. Dorothy is an active, working member and trustee of the Warren Historical Society. She has served on The Warren Council of Commissions 2008. In 2007 she was given The Warren Historical Society Award.
